# THE T&C 50 BACHELORS

YOUNG JETSETTERS, SEASONED TYCOONS, FUTURE PRESIDENTIAL CANDIDATES—WE’VE DONE THE TOUGH WORK OF IDENTIFYING THE MEN MOST WORTHY OF YOUR ATTENTION. YOU’RE WELCOME.

## THE FUTURE?

*Dismayed by the political atmosphere? Take heart: These guys have stellar résumés, outside-the-box minds, and charm to spare.*

### ADAM KINZINGER

This Republican congressman from Illinois has been included on *The Hill’s* “50 Most Beautiful People” list, but this year he made headlines by refusing to support Donald Trump’s run for president. **NATURAL HABITAT** In the pilot’s seat—the former air force lieutenant loves to fly. **CAVEAT** He’s already broken one engagement.

**NATURAL HABITAT** Shooting hoops in his old San Antonio neighborhood. **CAVEAT** His district covers an 800-mile stretch along the U.S.-Mexico border, but he remained on the fence about the wall during the election.

### WILL HURD

The first black Republican to be elected to Congress from Texas was an undercover CIA agent for nine years.

**NATURAL HABITAT** Shooting hoops in his old San Antonio neighborhood. **CAVEAT** His district covers an 800-mile stretch along the U.S.-Mexico border, but he remained on the fence about the wall during the election.

### SETH MOULTON

Before he was a Democratic congressman from Massachusetts, Moulton was a marine who earned both a

Bronze Star and a commendation medal serving in Iraq. And before that he attended both Harvard and Andover. **NATURAL HABITAT** The fish market in Marblehead. We hear he makes a mean lobster fettuccine. **CAVEAT** You must love the Patriots.

### PATRICK MURPHY

The 33-year-old Florida congressman switched his allegiance, to the Democratic Party, because of his discontent with the Iraq War. He lost to Marco Rubio in the Senate race. **NATURAL**

**HABITAT** Palm Beach, preparing for a comeback. **CAVEAT** Commitment issues? There have been rumors he was considering defecting back to the GOP.

### JACK SCHLOSSBERG

The only grandson of JFK and Jackie works for an e-commerce company, but don’t be surprised when he eventually runs for office: He’s known for his oratory skills, searing political op-eds, and good hair. **NATURAL HABITAT** Japan, where mom Caroline lives (for now). **CAVEAT** Loves posting lip-syncing videos on Instagram.

# HEIRS APPARENT

*Ambition, cultivation, allure—these notable progeny carry more than just the family name.*

## ANTHONY CHANDRIS

The son of Greek shipping tycoon John Chandris pals around with the London smart set. **NATURAL HABITAT** Waterskiing in the Greek islands. **CAVEAT** Brother Dimitri's recent royals-

adduced Tuscan wedding to Lydia Forte will be tough to top.

## BENE TASCHEN

The son of famed German publisher Benedikt Taschen has made a name for himself as the founder of Hard-

itta gallery, which specializes in contemporary photography and painting. **NATURAL HABITAT** German art fairs. **CAVEAT** Prepare to be gifted a lot of oversized art books.

## GUS & THEO WENNER

Gus plans on taking over *Rolling Stone* from his dad Jann for the magazine's 50th anniversary this year, while Theo continues to photograph for the magazine and shoot ad campaigns for Chloé and Marc Jacobs. **NATURAL HABITAT** Below 14th Street with music mogul and model pals. **CAVEAT** Along with power come ongoing legal troubles.

## SAMARTH & SIDDHARTH KASLIWAL

Siddharth is the ninth-generation co-owner of the Gem Palace, a brand whose roots go back to a maharaja's jeweler. Samarth just graduated from St. Andrews and joined the family business. **NATURAL HABITAT** Café Palladio in Jaipur. **CAVEAT** You're going to need a bigger vault.

## NICOLAS NIARCHOS

The son of Daphne Guinness and Spyros Niarchos writes for the *New Yorker*, covering the New York food scene and the Middle Eastern refugee crisis. **NATURAL HABITAT** Barhopping in Harlem (then writing "Tables for Two" reviews). **CAVEAT** Doesn't have the taste for the good life his last name might imply.

CHANDRIS: PAUL TRIVIA; TASCHEN: BENJAMIN WELLS; NIARCHOS: STEVE GRANITZ; WENNER: JEFFREY M. HARRIS; KASLIWAL: MICHAEL O'NEILL
