PARK GROVE DEVELOPERS HOST ARTFUL EVENING

Property's developers, Terra and The Related Group, provided guests a glimpse into Park Grove's art-filled lifestyle by hosting a discussion and book signing with Michele Oka Doner. Guests enjoyed cocktails and light bites by James Beard award-winning chef Michael Schwartz, who will have a restaurant at the completed property. Michele and journalist Alastair Gordon then led a discussion that delved into the artist's creative process and her passion for literature and discovering art in everyday life.
